

Good Afternoon Families,

As we head into Fall break, we wanted to send a reminder about traffic flow changes that will begin **Tuesday** upon our return. We ask for your support and patience as contractors complete this work as quickly as possible.

Effective 10/18 - 10/28 one lane of 47th Avenue will be closed and we will shift our entry drive to Ironton Street.

- The lane on 47th is being closed because our contractor needs to complete curb, gutter and sidewalk work required by and coordinated with the City of Denver
- Our permanent entry has always been planned for Ironton street as it limits the traffic backup on 47th. At this time we will make this change and close the drive from 47th Ave.

What this means for you:

- For everyone's safety, **please do not drop off or pick up students along 47th Ave**
- Be aware of additional congestion on 47th avenue and plan additional time - we ask for your patience and support while this work gets completed
- For drop off and pickup, our lot will function as a **one-way loop** as shown in the picture above
- 8th grade will shift to be dropped off and picked up in the lot and no longer on Joliet St
- High School and siblings will continue to be dropped off and picked up on Joliet St
