

DSST Elevate Northeast Middle School

Student Dress Code

All dress must be appropriate and schools hold discretion to make judgment calls on any specific student's attire. Attire that promotes inappropriate topics is not permitted, including: violence, drugs, tobacco, alcohol, gangs, sex/nudity, or anything else deemed derogatory or harmful.

Tops:

1. DSST top, except on earned dress-down days
2. No undergarments should be visible

Bottoms:

- a. Bottoms that fully cover undergarments (no part of underwear, undershorts, or bras can be showing).
- b. Shorts & skirts can be 3 inches above the knee.

Shoes:

- A. Any close-toed shoes. Shoes 'must completely cover the foot' according to Flinn Scientific lab guidelines; therefore, no Crocs or sandals are allowed.

Headwear:

- a. Hoodies are allowed, but no hoods can be up on any student at any time.
- b. Head coverings (hats, beanies, bonnets and du rags) are allowed.
- c. Head coverings cannot cover/hide a student's face or the ears so staff can determine if earbuds are being used. (The exception to this is religious head coverings.)
- d. This means students cannot wear forward facing baseball caps.

Rationale: Requiring a minimal dress code keeps the focus on what matters: learning. In addition, our dress code policy directly relates to safety, visibility, and the ability to identify students in the case of an emergency.
