The available document must be an exact copy of the return and schedules as filed with the IRS, except that the names and addresses of the contributors may be excluded. Any organization that fails to comply with this provision is subject to a penalty of \$20 for each day that inspection is not permitted, up to a maximum of \$10,000. Any organization that willfully fails to comply shall be subject to an additional penalty of \$5,000. You are also required to provide copies of the return if you receive such a request. If you note anything which may require a change to the return(s), please contact us before filing them. We recommend that you retain all pertinent records that support the information reported on your return.

Before preparing your tax return, we provided you with access to a summary of transactions identified by the U.S. Treasury as reportable transactions. The law provides for a penalty as high as \$200,000 per transaction for failure to adequately disclose any of them on your tax return if applicable. Unless you notified us otherwise, your tax return was prepared with the assumption you have not engaged in any reportable transaction. Otherwise, we have prepared your tax return in accordance with the information you provided to us and have attached the appropriate disclosure statement to your tax return. We are not liable for any penalties resulting from your failure to provide us with accurate and timely information about such transactions or to timely file the required disclosure statements. If you have any questions about reportable transactions, please contact us before filing your return.

We appreciate this opportunity to serve you. Please contact us if you have any questions or if we may be of further assistance.

Sincerely,

Adam R Smith , CPA Director BKD, LLP
